

## January 2019

# **Did You Know?**

The following is information that Blue Cross and Blue Shield of Texas (BCBSTX) is required to provide in all published correspondence with physicians, professional providers, and facility and ancillary providers. It includes a collection of articles to assist provider offices in servicing BCBSTX patients. For the latest updates, visit the <u>News and Updates</u> area of the BCBSTX provider website.

## Topics:

- Authorizations and Referrals
- Benefits and Eligibility
- Claims
- Clinical Resources
- CMS Guidance Notifications
- Education & Reference
- Electronic Options
- eviCore<sup>™</sup>
- Pharmacy
- Provider General Information
- Rights and Responsibility

Authorizations and Referrals

## Importance of Obtaining a Preauthorization/Referral

A preauthorization/referral is required for certain types of care and services. Although Blue Cross and Blue Shield of Texas (BCBSTX) participating physicians, professional providers and facility and ancillary providers are required to obtain preauthorizations/referrals, it is also the responsibility of the member/subscriber to confirm that this action has been taken for services that require a preauthorization/referral.

To determine if a service requires a referral or preauthorization, it is imperative that providers check eligibility, benefits, and preauthorization requirements through Availity<sup>®</sup> or your preferred vendor and also reference the <u>Preauthorizations/Notifications/Referral Requirements Lists</u> under Clinical Resources on bcbstx.com.

Preauthorizations/referrals must be obtained for any services provided by someone other than the member's primary care physician/provider (PCP) (i.e., specialist, ambulatory surgery centers, ancillary, etc.). A preauthorization/referral is also needed for an initial stay in a facility and any additional days or services added on.

Preauthorizations are required to allow for medical necessity review. If a member/subscriber does not obtain a preauthorization/referral for initial facility care or services, or additional days or services added on, the benefit for covered expenses may be reduced. Retrospective reviews for medical necessity will not be performed for any HMO plans except in limited special circumstances.

A preauthorization/referral does not guarantee payment. All payments are subject to determination of the member/subscriber's eligibility, payment of required deductibles, copayments and coinsurance amounts, eligibility of charges as covered expenses, application of the exclusions and limitations and other provisions of the policy at the time services are rendered.

You can check the status of your submitted request via iExchange<sup>®</sup>. As a reminder, because we are sending confidential protected health information (PHI) to your fax machine, it should be in a secure location that is not accessible to those who do not have the authority to review member/patient PHI.

If a preauthorization/referral request is received from an out-of-network (OON) provider and the member/subscriber does not have an OON benefit, BCBSTX will contact the ordering provider to discuss network options. However, if a member/subscriber has an OON benefit, OON benefits will apply, which could result in a higher cost sharing.

\_\_\_\_\_

#### **Reminder: Utilization Management Review**

The Medical Management team, which includes physicians and nurses, evaluate hospital admissions (anticipated or unanticipated) and continued stays, as well as outpatient services. The team utilizes a variety of resources, including MCG criteria and BCBSTX medical policy to inform benefit determinations regarding the level of care, transition of care and the management of home care needs.

Medical management does not make determinations about whether services are medically appropriate, only if the services meet the definition of medically necessary under the terms of the applicable benefit plan. If a service does not meet the definition of medically necessary, initially the case is referred to a medical director for a review of the medical necessity determination. Board certified physicians are available to review referred cases, make medical necessity determinations and resolve appeals.

See the <u>provider manual</u> for guidance on provider requirements when requesting services. The final determination about what treatment or services should be received is between the patient and their health care provider.

\_\_\_\_\_

# Enrollee Notification Form Required for Out-of-Network Care for Blue Choice PPO<sup>SM</sup> and Blue Advantage HMO<sup>SM</sup> (for Blue Advantage Plus)

Prior to referring a Blue Choice PPO or Blue Advantage HMO (for Blue Advantage Plus point-of- service benefit plan) member to an out-of-network provider for non-emergency services – if such services are also available through an innetwork provider – the referring participating network provider must complete the appropriate Out-of-Network Care – Enrollee Notification form below.

- <u>Out-of-Network Care Enrollee Notification Form for Regulated Business</u> (Use this form if "TDI" is on the member's ID card.)
- <u>Out-of-Network Care Enrollee Notification Form for Non-Regulated Business</u> (Use this form if "TDI" is not on the member's ID card.)

The referring network physician must provide a copy of the completed form to the enrollee and retain a copy in the enrollee's medical record files.

It is essential that Blue Choice PPO and Blue Advantage Plus enrollees fully understand the financial impact of an out-of-network referral to a physician, professional provider, hospital, ambulatory surgery center or other facility that does not participate in their Blue Cross and Blue Shield of Texas provider network. Blue Choice PPO and Blue Advantage Plus enrollees have out-of-network benefits and may choose to use out-of- network providers, however they will be responsible for an increased cost-share under their out-of-network benefits.

For additional information, refer to the <u>Provider Manual</u> section D Referral Notification Program on the <u>bcbstx.com/provider</u> website.

\_\_\_\_\_

#### AIM RQI Reminder

Physicians, professional providers, and facility and ancillary providers must contact AIM Specialty Health (AIM) first to obtain a Radiology Quality Initiative (RQI) for most Blue Choice PPO<sup>™</sup> members. Providers should check eligibility, benefits, and preauthorization requirements through Availity<sup>®</sup> or your preferred vendor and also reference the <u>Preauthorizations/Notifications/Referral Requirements Lists</u> for applicable members when ordering or scheduling the following outpatient, non-emergency diagnostic imaging services when performed in a physician's, professional provider's or facility or ancillary provider's office, a professional provider's office, the outpatient department of a

hospital or a freestanding imaging center:

- CT/CTA
- MRI/MRA
- SPECT/nuclear cardiology study
- PET scan

To obtain a Blue Choice PPO RQI, log into AIM's provider portal at <u>aimspecialtyhealth.com</u>, and complete the online questionnaire that identifies the reasons for requesting the exam. If criteria are met, you will receive an RQI. If criteria are not met, or if additional information is needed, the case will automatically be transferred for further clinical evaluation and an AIM nurse will follow up with your office. AIM's Provider Portal<sup>SM</sup> uses the term "Order" rather than "RQI."

Notes:

- Facilities cannot obtain a RQI from AIM on behalf of the ordering physician, professional provider, facility or ancillary provider.
- The RQI program does not apply to Medicare enrollees with Blue Cross and Blue Shield of Texas (BCBSTX) Medicare supplement coverage. Medicare enrollees with BCBSTX PPO coverage are included in the program.

AIM Specialty Health (AIM) is an operating subsidiary of Anthem, Inc.

\_\_\_\_\_

## Are Utilization Management Decisions Financially Influenced?

Blue Cross and Blue Shield of Texas (BCBSTX) is dedicated to serving our customers through the provision of health care coverage and related benefit services. BCBSTX prohibits decisions based on financial incentives – utilization management decisions are based on appropriateness of care and service and existence of coverage.

BCBSTX does not specifically reward practitioners or clinicians for issuing denials of coverage, nor is there compensation based on the number or frequency of telephone calls or other contacts that occur with health care providers, members or subscribers. Financial incentives for utilization management decision makers do not encourage decisions that result in underutilization.

\_\_\_\_\_

# **Benefits and Eligibility**

## **BCBS Medicare Advantage PPO Network Sharing**

Applies to: Blue Cross Medicare Advantage (PPO)<sup>SM</sup>

## What is Blue Cross and Blue Shield (BCBS) Medicare Advantage (MA) PPO network sharing?

All BCBS MA PPO Plans participate in reciprocal network sharing. This network sharing will allow all BCBS MA PPO members to obtain in-network benefits when traveling or living in the service area of any other BCBS MA PPO Plan if the member sees a contracted BCBS MA PPO provider.

## What does the BCBS MA PPO network-sharing mean to me?

If you are a contracted BCBS MA PPO provider with Blue Cross and Blue Shield of Texas (BCBSTX) and you see BCBS MA PPO members from other BCBS Plans, these BCBS MA PPO members will be extended the same contractual access to care and will be reimbursed in accordance with your negotiated rate with your Blue Cross and Blue Shield of Texas contract. These BCBS MA PPO members will receive in-network benefits in accordance with their member contract.

If you are not a contracted BCBS MA PPO provider with BCBSTX and you provide services for any BCBS MA PPO members, you will receive the Medicare allowed amount for covered services. For urgent or emergency care, you will be reimbursed at the member's in-network benefit level. Other services will be reimbursed at the out-of-network benefit level.

# How do I recognize an out-of-area BCBS MA PPO member from one of these Plans participating in the BCBS MA PPO network sharing?

You can recognize a BCBS MA PPO member when their Blue Cross and Blue Shield Member ID card has the following logo:

The "MA" in the suitcase indicates a member who is covered under the BCBS MA PPO network sharing program. BCBS MA PPO members have been asked not to show their standard Medicare ID card when receiving services; instead, members should provide their Blue Cross and/or Blue Shield member ID card.

#### Do I have to provide services to BCBS MA PPO members from these other BCBS Plans?

If you are a contracted BCBS MA PPO provider with BCBSTX, you should provide the same access to care for BCBS MA members from other BCBS Plans as you do for BCBSTX MA PPO members. You can expect to receive the same contracted rates for such services.

If you are not a BCBS MA PPO contracted provider, you may see BCBS MA PPO members from other BCBS Plans, but you are not required to do so. Should you decide to provide services to BCBS MA PPO members, you will be reimbursed for covered services at the Medicare allowed amount based on where the services were rendered and under the member's out-of-network benefits. For urgent or emergency care, you will be reimbursed at the in-network benefit level.

#### What if my practice is closed to new local BCBS MA PPO members?

If your practice is closed to new local BCBS MA PPO members, you do not have to provide care for BCBS MA PPO out-of-area members. The same contractual arrangements apply to these out-of-area network sharing members as your local BCBS MA PPO members.

#### How do I verify benefits and eligibility?

Call BlueCard<sup>®</sup> Eligibility at 800-676-BLUE (800-676-2583) and provide the BCBS MA PPO member's alpha prefix located on the member's ID card. You may also submit electronic eligibility requests for BCBS MA PPO members. Follow these three easy steps:

- Log in to the <u>Availity Provider Portal</u> or your preferred vendor
- Enter required data elements
- Submit your request

#### Where do I submit the claim?

You should submit the claim to BCBSTX under your current billing practices. Do not bill Medicare directly for any services rendered to a BCBS MA PPO member.

#### What will I be paid for providing services to these out-of-area BCBS MA PPO network sharing members?

If you are a BCBS MA PPO contracted provider with BCBSTX, benefits will be based on your contracted BCBS MA PPO rate for providing covered services to BCBS MA PPO members from any BCBS MA PPO Plan. Once you submit the BCBS MA PPO claim, BCBSTX will work with the other Plan to determine benefits and send you the payment.

# What will I be paid for providing services to other BCBS MA out-of-area members not participating in the BCBS MA PPO network sharing?

When you provide covered services to other BCBS MA PPO out-of-area members not participating in network sharing, benefits will be based on the Medicare allowed amount. Once you submit the BCBS MA PPO claim, BCBSTX will send you the payment. However, these services will be paid under the BCBS MA member's out-of-network benefits unless for urgent or emergency care.

#### What is the BCBS MA PPO member cost sharing level and co-payments?

A BCBS MA PPO member cost sharing level and co-payment is based on the BCBS MA PPO member's health plan. You may collect the co-payment amounts from the BCBS MA PPO member at the time of service. To determine the cost sharing and/or co-payment amounts, you should call the Eligibility Line at 800- 676-BLUE (800-676-2583).

#### May I balance bill the BCBS MA PPO member the difference in my charge and the allowance?

No, you may not balance bill the BCBS MA PPO member for this difference. Members may be balance billed for any deductibles, co-insurance, and/or co-pays.

#### What if I disagree with the reimbursement amount I received?

If there is a question concerning the reimbursement amount, contact Blue Cross Medicare Advantage (PPO) Customer Service at 877-774-8592.

#### Who do I contact if I have a question about BCBS MA PPO network sharing?

If you have any questions regarding the BCBS MA PPO program or products, contact Blue Cross Medicare Advantage (PPO) Customer Service at 877-774-8592.

\_\_\_\_\_

# **Claims**

HMO Plans – PCP Selection and Referral Requirements

Blue Cross and Blue Shield of Texas (BCBSTX) HMO plans are:

- Blue Advantage HMO<sup>SM</sup>
- Blue Advantage Plus<sup>SM</sup>
- Blue Essentials<sup>SM</sup>
- Blue Essentials Access<sup>SM</sup>
- Blue Premier<sup>SM</sup>
- Blue Premier Access<sup>SM</sup>

Blue Essentials Access and Blue Premier Access are considered "open access" HMO plans where no Primary Care Provider (PCP) selection or referrals are required when the member uses participating providers in their network.

For Blue Advantage HMO, Blue Essentials and Blue Premier where referrals are required, it must be initiated by the member's designated PCP and must be made to a participating physician or professional provider in the same provider network.

The table below defines when a PCP selection and referrals to specialists (except OB-GYN) are required and when they are not required. (Note: Members can self-refer to in-network OB/GYNs – no referrals are required.) If an innetwork physician, professional provider, ambulatory surgery center, hospital or other facility is not available in the member's applicable provider network, preauthorization is required for services by an out- of-network physician, professional provider, ambulatory center, hospital or other facility, through either iExchange<sup>®</sup> or by calling the preauthorization number on the back of the member ID card.

Additional services for all HMO plans may require preauthorization. A complete list of services that require preauthorization or a referral for in and out of network benefits is available on the BCBSTX provider website under Preauthorization/Notification/Referral Requirements.

HMO Plan	Designated PCP Required	Referrals Required for In- Network Providers	Out-Of-Network Benefits Available with Higher Member Cost Share
Blue Advantage HMO	Yes	Yes	No
Blue Advantage Plus HMO	Yes	Yes	Yes
Blue Essentials	Yes	Yes	No
Blue Essentials Access	No	No	No
Blue Premier	Yes	Yes	No
Blue Premier Access	No	No	No

\*Prior to referring a Blue Advantage Plus member to an out-of-network provider for non-emergency services, please refer to Section D Referral Notification Program, of the Blue Essentials, Blue Advantage HMO and Blue Premier provider manual for more detail including when to utilize the Out-of-Network Enrollee Notification forms for <u>Regulated</u> <u>Business</u> and <u>Non-Regulated Business</u>.

Sample HMO ID cards and other benefit plan ID cards are available on the BCBSTX provider website.

#### **Reminders:**

- The Blue Essentials, Blue Advantage HMO and Blue Premier physician, professional provider, facility or ancillary providers are required to admit a patient to a participating facility, except in emergencies.
- Blue Advantage Plus is a benefit plan that allows members to use out-of-network providers. However, members must understand the financial impact of receiving services from an out-of-network physician, professional provider, ambulatory surgery center, hospital or other facility.

\_\_\_\_\_

#### **Billing and Documentation Information and Requirements**

Blue Cross and Blue Shield of Texas (BCBSTX) has implemented changes to clarify existing policies related to billing and documentation requirements for the BlueChoice<sup>®</sup> PPO, Blue Advantage HMO<sup>SM</sup>, Blue Essentials<sup>SM</sup>, Blue Premier<sup>SM</sup>, Blue Cross Medicare Advantage (PPO)<sup>SM</sup> and Blue Cross Medicare Advantage (HMO)<sup>SM</sup> plans effective Sept. 15, 2017, as reflected in the Blue Choice PPO Provider Manual and the Blue Essentials, Blue Advantage HMO and Blue Premier Provider Manual in Section F Filing Claims posted on <u>bcbstx.com/provider</u> under <u>Standards and</u> <u>Requirements/Manuals</u>.

\_\_\_\_\_

#### **Benefit Categories Contained in IVR Phone System**

Below is a list of common benefit categories contained within the Blue Cross and Blue Shield of Texas (BCBSTX) Interactive Voice Response (IVR) phone system.

The IVR quotes the same level of eligibility and benefit information that a Customer Advocate provides. Our Customer Advocates are available for more complex benefit quotes.

As a reminder, this information is continually reviewed and may vary across different BCBSTX networks, products and/or group policies. The current contained benefit category lists are shown below.

#### Contained Benefit Categories

- Allergy Colonoscopy Consultations Coordinated Home Care
- Electrocardiogram (EKG) Extended Care Facility Hospital
- Inhalation Therapy Laboratory Mammogram Office Services
  Office Visit Pap Smear Physical Exam Preventive Care
- Private Duty Nursing Ultrasound
- X-ray
- 23-hour Observation Air Ambulance Anesthesia Assistant Surgeon CAT Scan Dialysis
- Ground Ambulance Hospice
- Medical Supplies MRI
- Pathology PET Scan Prosthetics
- Prostate-specific Antigen (PSA) Sterilization

FEP IVR Contained Benefit Categories		
Accidental Injury	Maternity	
Allergy	Office Visit	
Chiropractic Services	Outpatient Physical, Occupational and Speech Therapy	

Diagnostic – Lab, X-ray, Outpatient	Vision
Diagnostic	
Inpatient Benefits – Inpatient	
Hospital, Inpatient Surgery	

Note: The above listings are not applicable to Blue Cross Medicare Advantage (PPO)<sup>SM</sup> or Blue Cross Medicare Advantage (HMO)<sup>SM</sup> government program member policies. For eligibility and benefits for these government programs via phone, refer to the number on the member's BCBSTX identification card.

As a reminder, checking eligibility and benefits electronically through Availity<sup>®</sup> or your preferred web vendor is the quickest way to access BCBSTX member information. To learn more about online solutions, see the <u>Provider Tools</u> section of the BCBSTX provider website.

\_\_\_\_\_

## **Clinical Payment and Coding Policies Now Online**

BCBSTX is now publishing <u>Clinical Payment and Coding Policies</u> on our website. These payment and coding policies describe BCBSTX's application of payment rules and methodologies for Current Procedural Terminology (CPT<sup>®</sup>), HCPCS and ICD-10 coding as applied to claims submitted for covered services. This information is offered as a helpful general resource regarding BCBSTX payment policies and is not intended to address all reimbursement related issues. New policies have been posted and existing policies will be added over time. We regularly adjust clinical payment and coding policy positions as part of our ongoing policy review processes. Check <u>this newsletter</u> and the <u>News and Updates section on our website</u> for newly adapted or revised policies.

\_\_\_\_\_

#### Update to After-hours and Weekend Care Codes Payment Policy

Blue Cross and Blue Shield of Texas (BCBSTX) will be updating its payment policy regarding after-hours and weekend care codes.

After-hours or weekend care is reimbursable, within limitations, for services provided by an individual physician or other health care professional who is required to provide office-based services outside of regular posted office hours to treat a patient's urgent illness or condition.

Effective Jan. 1, 2017, BCBSTX will no longer reimburse facility-based or non-office-based providers for CPT Codes 99053, 99056 and 99060. These codes will be considered inclusive of the primary procedure.

\_\_\_\_\_

#### ClaimsXten<sup>™</sup> Quarterly Updates

New and revised Current Procedural Terminology (CPT<sup>®</sup>) and HCPCS codes are periodically added to or deleted from the ClaimsXten code auditing tool software by the software vendor on a quarterly basis and are not considered changes to the software version.

Blue Cross and Blue Shield of Texas (BCBSTX) will normally load this additional data to the BCBSTX claim processing system within 60 to 90 days after receipt from the software vendor and will confirm the effective date via the <u>News and Updates</u> section of the BCBSTX provider website. Advance notification of updates to the ClaimsXten software version (i.e., change from ClaimsXten version 4.1 to 4.4) also will be posted on the BCBSTX provider website.

To help determine how coding combinations on a claim may be evaluated during the claim adjudication process, you may continue to utilize Clear Claim Connection<sup>™</sup> (C3). C3 is a free, online reference tool that mirrors the logic behind BCBSTX's code-auditing software. Refer to our website at <u>bcbstx.com/provider</u> for additional information on gaining access to C3.

For more details regarding ClaimsXten, including answers to frequently asked questions, refer to the <u>C3 page</u> or <u>Claims Filing Tips</u> under <u>Claims and Eligibility</u> on the <u>BCBSTX website</u>. Additional information may also be included in upcoming issues of <u>Blue Review</u>.

-----

#### **Additional Code-Auditing Software**

Blue Cross and Blue Shield of Texas (BCBSTX) implemented additional code-auditing software, Verscend ConVergence Point<sup>™</sup> BCBSTX implemented this code- auditing software in June 2017\*.

This software further enhances the auditing of professional and outpatient facility claims for correct coding according to the Healthcare Common Procedure Coding System (HCPSC), Current Procedural Terminology (CPT<sup>®</sup>) and the Centers for Medicare and Medicaid Services guidelines. Providers may use the Claim Inquiry Resolution Tool, which is available on the Availity Provider Portal to research specific claim edits.

\*The above notice does not apply to government program claims.

\_\_\_\_\_

#### **Technical and Professional Components**

Modifiers 26 and TC: Modifier 26 denotes professional services for lab and radiological services. Modifier TC denotes technical component for lab and radiological services. These modifiers should be used in conjunction with the appropriate lab and radiological procedures only.

Note: When a physician or professional provider and facility or ancillary provider performs both the technical and professional service for a lab or radiological procedure, he/she must submit the total service, not each service individually.

\_\_\_\_\_

#### Surgical Procedures Performed in the Physician's Office

When performing surgical procedures in a non-facility setting, the physician and professional provider reimbursement covers the services, equipment and some of the supplies needed to perform the surgical procedure when a member/subscriber receives these services in the physician's or professional provider's office.

Reimbursement will be allowed for some supplies billed in conjunction with a surgical procedure performed in a physician's or professional provider's office. To help determine how coding combinations on a claim may be evaluated during the claim adjudication process, you may continue to utilize Clear Claim Connection<sup>™</sup> (C3). C3 is a free, online reference tool that mirrors the logic behind Blue Cross and Blue Shield of Texas'(BCBSTX) code-auditing software. Refer to the BCBSTX provider website at bcbstx.com/provider for additional information on gaining access to C3.

Please note the physician's and professional provider's reimbursement includes surgical equipment that maybe owned or supplied by an outside surgical equipment or Durable Medical Equipment (DME) vendor. Claims from the surgical equipment or DME vendor will be denied since the global physician's or professional provider's reimbursement includes staff and equipment.

\_\_\_\_\_

#### Improvements to the Medical Records Process for BlueCard® Claims

Blue Cross and Blue Shield of Texas (BCBSTX) is now able to send medical records electronically to all Blue Cross and/or Blue Shield Plans. This method significantly reduces the time it takes to transmit supporting documentation for BlueCard claims and eliminates lost or misrouted records.

As always, we request that you submit your medical records to BCBSTX if needed for claims processing. Requests for medical records from other Blues Plans before rendering services, as part of the preauthorization process, should be submitted directly to the requesting Plan.

\_\_\_\_\_

#### **Contracted Providers Must File Claims**

As a reminder, physicians, facilities, professional providers and ancillary providers must file claims for any covered services rendered to a patient enrolled in a Blue Cross and Blue Shield of Texas (BCBSTX) health plan. You may collect the full amounts of any deductible, coinsurance or copayment due and then file the claim with BCBSTX. Arrangements to offer cash discounts to an enrollee in lieu of filing claims with BCBSTX violate the requirements of your provider contract with BCBSTX.

Notwithstanding the foregoing, a provision of the American Recovery and Reinvestment Act changed HIPAA (Health Insurance Portability and Accountability Act of 1996) to add a requirement that if a patient self pays for a service in full and directs a provider to not file a claim with the patient's insurer, the provider must comply with that directive and may not file the claim in question. In such an event, you must comply with HIPAA and not file the claim to BCBSTX.

-----

#### **Billing for Non-Covered Services**

As a reminder, contracted physicians, professional providers, facility and ancillary providers may collect payment from members/subscribers for copayments, co-insurance and deductible amounts. The physician, professional provider, facility or ancillary provider may not charge the member/subscriber more than the patient share shown on their provider claim summary (PCS) or electronic remittance advice (ERA).

If Blue Cross and Blue Shield of Texas (BCBSTX) determines that a proposed service is not a covered service, the physician, professional provider, facility or ancillary provider must inform the member/subscriber in writing in advance. This will allow the physician, professional, facility or ancillary provider to bill the member/subscriber for the non-covered service rendered.

In no event, shall a contracted physician, professional provider, facility or ancillary provider collect payment from the subscriber for identified hospital acquired conditions and/or serious reportable events.

\_\_\_\_\_

#### Avoidance of Delay in Claims Pending COB Information

Blue Cross and Blue Shield of Texas (BCBSTX) receives thousands of claims each month that require unnecessary review for coordination of benefits (COB). What that means to our physicians, professional providers, facility and ancillary providers is a possible delay, or even denial of services, pending receipt of the required information from the member/subscriber.

Here are some tips to help prevent claims processing delays when there is only one insurance carrier:

- CMS-1500, box 11-d if there is no secondary insurance carrier, mark the "No" box.
- Do not place anything in box 9, a through d this area is reserved for member information for a secondary insurance payer.

It is critical that no information appears in box 11-d or in box 9 a-d if there is only one insurance payer.

\_\_\_\_\_

#### Hospitals, and Routine Services and Supplies

Routine services and supplies are generally already included by the provider in charges related to other procedures or services. As such, these items are considered non-billable for separate reimbursement. The following guidelines may assist hospital personnel in identifying items, supplies, and services that are not separately billable (this is not an all-inclusive list):

- Any supplies, items and services that are necessary or otherwise integral to the provision of a specific service and/or the delivery of services in a specific location are considered routine services and not separately billable in the inpatient and outpatient environments.
- All items and supplies that may be purchased over-the-counter are not separately billable.
- All reusable items, supplies and equipment that are provided to all patients during an inpatient or outpatient admission are not separately billable.
- All reusable items, supplies and equipment that are provided to all patients admitted to a given treatment area or units are not separately billable.
- All reusable items, supplies and equipment that are provided to all patients receiving the same service are not separately billable.

-----

# **Clinical Resources**

#### **BCBSTX Lab Guidelines**

Quest Diagnostics, Inc., is the exclusive outpatient clinical reference laboratory provider for Blue Essentials<sup>SM</sup>, Blue Premier and Blue Advantage HMO<sup>SM</sup> members<sup>\*</sup> and the preferred statewide outpatient clinical reference laboratory provider for Blue Cross and Blue Shield of Texas (BCBSTX) Blue Choice PPO<sup>SM</sup> subscribers. This arrangement excludes lab services provided during emergency room visits, inpatient admissions and outpatient day surgeries (hospital and free-standing ambulatory surgery centers).

#### **Quest Diagnostics offers:**

- Online scheduling for Quest Diagnostics' Patient Service Center (PSC) locations. To schedule a patient PSC appointment, log onto <u>QuestDiagnostics.com/patient</u> or call 888-277- 8772.
- Convenient patient access to more than 195 patient service locations.
- 24/7 access to electronic lab orders, results and other office solutions through Care360<sup>®</sup> labs and meds.

For more information about Quest Diagnostics lab testing solutions or to establish an account, contact your Quest Diagnostics Physician Representative or call 866-MY-QUEST (866-697-8378).

For physicians, professional providers or facility and ancillary providers located in the HMO Reimbursable Lab counties, only the lab services/tests indicated on the Reimbursable Lab Services list will be reimbursed on a fee-for-service basis if performed in the physician's, professional provider's office for Blue Essentials members. All other lab services must be sent to Quest. You can access the county listing and the Reimbursable Lab Services list in the <u>General Reimbursement Information</u> section located under the Standards and Requirements tab.

\*Note: Physicians, professional providers or facility and ancillary providers who are contracted/affiliated with a capitated IPA/medical group and physicians, professional providers or facility or ancillary providers who are not part of a capitated IPA/medical group but who provide services to a member/subscriber whose PCP is a member of a capitated IPA/medical group must contact the applicable IPA/medical group for instructions regarding outpatient laboratory services.

-----

#### Blue Cross Medicare Advantage (PPO)<sup>SM</sup> Lab Guidelines

Quest Diagnostics, Inc., Clinical Pathology Laboratory (CPL) and LabCorp, Inc. are the preferred outpatient clinical reference laboratory providers for Blue Cross Medicare Advantage (PPO) members.

Note: This arrangement excludes lab services provided during emergency room visits, inpatient admissions and outpatient day surgeries (hospital and free-standing ambulatory surgery centers).

#### For locations or questions contact:

- Quest Diagnostics at 888-277-8772 or <u>questdiagnostics.com/patient</u>
- Clinical Pathology Laboratory at 800-595-1275 or cpllabs.com
- LabCorp at 800-845-6167 or <u>labcorp.com</u>

As previously indicated, if lab services are performed at the participating physician's or other professional provider's office, the physician or professional provider may bill for the lab services. However, if the physician's or other professional provider's office sends the lab specimens to a contracted lab for completion, only the contracted lab can bill Blue Cross Medicare Advantage (PPO) for the lab services.

-----

#### **Medical Necessity Review of Observation Services**

As a reminder, it is the policy of Blue Cross and Blue Shield of Texas (BCBSTX) to provide coverage for observation services when it is determined to be medically necessary based on the medical criteria and guidelines as outlined in the <u>MCG Care Guidelines</u>. Claims for observation services are subject to post- service review, and BCBSTX may request medical records for the determination of medical necessity.

When medical records are requested, documentation should include the following information:

- The attending physician's order for observation care with clock time (or clock time can be noted in the nurse's observation admission note)
- The physician's admission and progress notes confirming the need for observation care
- The supporting diagnostic and/or ancillary testing reports

\_\_\_\_\_

- The admission progress notes (with the clock time) outlining the patient's condition and treatment
- The discharge notes (with clock time) with discharge order and nurse's notes
- Itemized bill

# Coordination of Care Between Medical and Behavioral Health Providers

Blue Cross and Blue Shield of Texas (BCBSTX) continually strives to promote coordination of member care between medical and behavioral health providers. We understand that communication between providers and their patients regarding the treatment and coordination of care can pose challenges. Here are few resources available to you through BCBSTX:

#### The Coordination of Care Form Available Online

To provide assistance when coordinating care, BCBSTX has created a <u>Coordination of Care form</u> that is available online. This new form may help in communicating patient information, such as:

- To provide member treatment information to another treating provider
- To request member treatment information from another treating provider. It is important to note that a written release to share clinical information with members' medical providers must be obtained prior to the use of this form. BCBSTX recommends obtaining a written release prior to the onset of treatment.

If you are requesting member treatment information from another provider, it is recommended that the Patient Information and Referring Provider sections of the form be completed to expedite the care coordination process for the receiving provider.

#### If You Need Help Finding Behavioral Health Providers for Your Patients

Call the number on the back of members' BCBSTX ID cards to receive assistance in finding outpatient providers or behavioral health facilities.

#### **Behavioral Health or Medical Case Management Services**

If you believe a patient has complex health needs and could benefit from additional support and resources from a clinician, you can make a referral to one of the BCBSTX Case Management programs by calling the number on the back of the member's BCBSTX ID card. Case Management can also provide you and the member with information about additional resources provided by their insurance plan.

-----

# CMS Guidance Notifications

## CMS Notifications for Blue Cross Medicare Advantage (PPO)<sup>SM</sup> and Blue Cross Medicare Advantage (HMO)<sup>SM</sup>

The Centers for Medicare and Medicaid Services (CMS) routinely publishes notifications that provide CMS guidance to all Medicare physicians, providers and suppliers, including those serving beneficiaries enrolled in Original Medicare and one of the Blue Cross Medicare Advantage (PPO) or Blue Cross Medicare Advantage (HMO) plans. These CMS notifications are located in the Medicare Learning Network (MLN Matters) on CMS.gov and in the BCBSTX <u>News and Updates</u> section of the <u>provider website</u> under <u>CMS Notifications Medicare Advantage Plans</u> and may include informational regulatory updates and reminders, as well as required actions or changes by the provider rendering services. As such, it is important for providers to review these notifications and ensure your staff are aware of them.

\_\_\_\_\_

# Education & Reference

## **Provider Manual Update**

Blue Cross and Blue Shield of Texas (BCBSTX) makes periodic updates and clarifications related to operational changes and regulatory mandates to the provider manual, as well as the processes, policies and procedures that you comply with as a network provider. It is important that you stay up-to-date, so we share these changes in our monthly <u>Blue Review newsletter</u>, in the <u>News and Updates</u> and/or the <u>Standards & Requirements/Disclosures sections</u> of the

<u>BCBSTX provider website</u>. These changes may also be communicated via mail. We encourage you to review both resources as you provide care to your patients. As a provider, it is your responsibility to review and comply with these changes.

-----

# **Electronic Options**

## Multiple Online Enrollment Options Available in Availity®

Blue Cross and Blue Shield of Texas (BCBSTX) offers you multiple enrollment opportunities for electronic options through the Availity Provider Portal. This is in addition to other electronic transactions available to you through Availity or your preferred web vendor portal. Instead of faxing or mailing paper enrollment forms, you can complete the online enrollment options listed below through Availity at no cost. Availity also provides single sign-on access to several online tools that offer greater convenience and security, without the need for another user ID and password. Refer to the <u>Provider Tools</u> and <u>Electronic Commerce Solutions</u> on the provider website for additional information on the following services:

- Availity transactions and single sign on
- Electronic Fund Transfer (EFT) and Electronic Remittance Advice (ERA)
- Benefit Preauthorization via iExchange®
- Electronic Refund Management (eRM)
- Claim Inquiry Resolution (CIR)

For assistance or customized training, contact a BCBSTX Provider Education Consultant at PECS@tx.com.

-----

#### **Electronic Replacement/Corrected Claim Submissions**

The Blue Cross and Blue Shield of Texas (BCBSTX) claims system recognizes electronic claim submission types by the frequency code submitted. The **ANSI X12 837** claim format allows you to submit changes to claims that were not included on the original adjudication. For additional information, refer to the <u>Electronic Replacement/Corrected Claim</u> <u>Submissions</u> article on the BCBSTX Provider website.

\_\_\_\_\_

# <mark>eviCore</mark>™

#### eviCore Preauthorization Requirements

Blue Cross and Blue Shield of Texas (BCBSTX) contracts with eviCore healthcare (eviCore), an independent specialty medical benefits management company, to administer preauthorization requirements for certain specialized services and products for BCBSTX members.

To determine which specialized clinical services and the effective dates of those services which require preauthorization/prior authorization through eviCore, providers should check eligibility, benefits, and preauthorization requirements through Availity<sup>®</sup> or your preferred vendor and also reference the <u>Preauthorization/Referral/Notification</u> <u>Requirements</u> found on the BCBSTX provider web site.

The services and effective dates vary by product as well as whether the member's group is self-insured or fully insured (identified by TDI on ID card).

For a detailed list of the services that require authorization through eviCore, refer to the <u>eviCore implementation site</u> Services performed without authorization may be denied for payment and you may not seek reimbursement from members/subscribers.

#### eviCore authorizations can be obtained using one of the following methods:

- Use the <u>eviCore healthcare web portal</u>, which is available 24/7. After a one-time registration, you can initiate a case, check status, review guidelines, view authorizations and eligibility, and more. The web portal is the quickest, most efficient way to obtain information.
- Call eviCore at 855-252-1117 toll-free between 6 a.m. 6 p.m. CT, Monday through Friday, and 9 a.m. noon CT, Saturday, Sunday and legal holidays.

For all other services that require a referral and/or authorization as noted on the Preauthorization/Referral Requirements Lists or the Prior Authorization/Referral List, continue to use iExchange<sup>®</sup>. iExchange is accessible to all physicians, professional providers and facilities. <u>Learn more about iExchange or set up a new account on BCBSTX's provider website</u>.

-----

## **Pharmacy**

#### **Pharmacy Benefit Tips**

For Blue Cross and Blue Shield of Texas (BCBSTX) members with prescription drug benefits administered by Prime Therapeutics<sup>®</sup>, BCBSTX employs many industry-standard management strategies to ensure appropriate utilization of prescription drugs. These strategies can include drug list management, benefit design modeling, specialty pharmacy benefits, clinical programs, among others. BCBSTX providers can assist in this effort by:

#### 1. Prescribing drugs listed on the drug list

BCBSTX drug lists are provided as a guide to help in the selection of cost-effective drug therapy. Every major drug class is covered, although many of the drug lists cover most generics and fewer brand name drugs. The lists also provide members with criteria for how drugs are selected, coverage considerations and dispensing limits. While these drug lists are a tool to help members maximize their prescription drug benefits, the final decision about what medications should be prescribed is between the health care provider and the patient.

BCBSTX drug lists are regularly updated and can be found on the <u>Pharmacy Program</u> page on the <u>BCBSTX</u> <u>provider website</u>.

**Note:** For members with Medicare Part D or Medicaid coverage, the drug lists can be found on the plan's website:

- Blue Cross MedicareRx (PDP)<sup>SM</sup>: <u>getbluetx.com/pdp/druglist</u>
- Blue Cross Medicare Advantage<sup>SM</sup>: <u>getbluetx.com/mapd/druglist</u>
- Blue Cross Medicare Advantage Dual Care (HMO SNP)<sup>SM</sup>: getbluetx.com/dsnp/druglist
- Texas STAR: <u>bcbstx.com/star/prescription-drugs/drug-coverage</u>
- Texas CHIP: <u>bcbstx.com/chip/prescription-drugs/drug-coverage</u>
- Texas STAR KIDS: <u>bcbstx.com/starkids/plan-details/drug-coverage.html</u>

#### 2. Reminding patients of covered preventive medications

Many BCBSTX health plans include coverage at no cost to the member for certain prescription drugs, women's contraceptive products and over-the-counter medicines used for preventive care services.\*

- <u>ACA \$0 Preventive Drug List</u>
- Women's Contraceptive Coverage List

#### 3. Submitting necessary prior authorization requests

For some medications, the member's plan may require certain criteria to be met before prescription drug coverage may be approved. You will need to complete the necessary prior authorization request and submit it to BCBSTX. More information about these requirements can be found on the <u>Pharmacy Program</u> page on the <u>BCBSTX provider website</u>.

#### 4. Assisting members with drug list exceptions

If the medication you wish to prescribe is not on your patient's drug list or the preventive care lists, a drug list exception can be requested. You can call the customer service number on the member's ID card to start the process or <u>complete the online form</u>.

Visit the Pharmacy Program page for more information.

\*Not available for all plans. Members should call the customer service number on their ID card to help determine what benefits may be available, including any requirements, limitations or exclusions that apply. Please refer to the member's certificate of coverage and prescription drug list as there may be coverage for additional products beyond these lists.

\_\_\_\_\_

#### **Dispensing QVT (Quantity Versus Time) Limits**

To help minimize health risks and to improve the quality of pharmaceutical care, dispensing QVT limits have been placed on select prescription medications. The limits are based upon the U.S. Federal Drug Administration and medical guidelines as well as the drug manufacturer's package insert. For current Drug List Dispensing Limits, visit <u>Pharmacy Program/Dispensing Limits</u> on the BCBSTX provider website.

\_\_\_\_\_

#### **Prescription Drug Lists**

Throughout the year, the Blue Cross and Blue Shield of Texas (BCBSTX) Clinical Pharmacy department frequently reviews the prescription drug lists. Tier placement decisions for each drug on the list follow a precise process, with several committees reviewing efficacy, safety and cost of each drug.

For current drug updates, visit <u>Pharmacy Program/Prescription Drug List and Prescribing Guidelines</u> on the BCBSTX provider website.

-----

# **Provider General Information**

#### Fee Schedule Updates

Reimbursement changes and updates for Blue Choice PPO, Blue Essentials (Independent Provider Network only), Blue Advantage HMO and Blue Premier practitioners will be posted under Standards and Requirements/General Reimbursement Information/Reimbursement Schedules and Related Information/Professional Schedules section on the Blue Cross and Blue Shield of Texas (BCBSTX) provider website at <u>bcbstx.com/provider</u>.

The changes will not become effective until at least 90 days from the posting date. The specific effective date will be noted for each change that is posted. To view this information, visit the <u>General Reimbursement Information section</u> on the <u>BCBSTX provider website</u>. The CPT/HCPCS Drug/Injectable codes Fee Schedule will be updated quarterly on March 1, June 1, Sept. 1 and Dec. 1 each year. The NDC fee schedule will be updated monthly.

\_\_\_\_\_

#### Employees Retirement System of Texas (ERS)

Effective Sept. 1, 2017, BCBSTX was awarded the six- year contract for the ERS account. ERS participants covered under HealthSelect<sup>SM</sup> of Texas and Consumer Directed HealthSelect<sup>SM</sup> benefit plans will access care through the Blue Essentials<sup>SM</sup> provider network in all 254 counties in Texas.

#### ERS participants can be identified through their BCBSTX ID card:

- The plan names HealthSelect of Texas and Consumer Directed HealthSelect will be printed directly on the ID card.
- ERS Participants will have a unique Blue Essentials network ID labeled HME.

Providers can refer to <u>ERS Tools</u> on the <u>provider website</u> under the <u>Education and Reference</u> section for additional information.

-----

## **Provider Training**

BCBSTX is proud to offer complimentary educational webinar sessions. These online training sessions give you the flexibility to attend live sessions. Provider billers, utilization areas and administrative departments will benefit from these webinars. Please visit <u>Educational Webinar/Workshop Sessions</u> on the <u>bcbstx.com/provider</u> website to view what is available and sign up for training sessions.

\_\_\_\_\_

#### **After-hours Access Is Required**

Blue Cross and Blue Shield of Texas (BCBSTX) requires that primary care physicians/providers, Specialty care physicians, professional providers, and facility and ancillary providers provide urgent care, and emergency care or coverage for care 24 hours a day, seven days a week. Providers must have a verifiable mechanism in place, for immediate response, for directing patients to alternative after-hours care based on the urgency of the patient's need.

#### Acceptable after-hours access mechanisms may include:

- An answering service that offers to call or page the physician/provider or on-call physician/provider;
- a recorded message that directs the patient to call the answering service and the phone number is provided; or
- a recorded message that directs the patient to call or page the physician/provider or on-call physician/provider and the phone number is provided.

For more detail, <u>please refer to the provider manuals</u> for Blue Choice PPO<sup>SM</sup> Physician, Professional Provider and Facility and Ancillary Provider Manual (Section B) and Blue, Blue Premier Physician, Professional Provider, Facility and Ancillary Provider Manual (Section B) available in the Education & Reference section of our provider website. Click on the "Manual" link (note, a password is required).

\_\_\_\_\_

#### Medical Record Requests: Include Our Letter as Your Cover Sheet

When you receive a letter from Blue Cross and Blue Shield of Texas (BCBSTX) requesting additional information, such as medical records or certificates of medical necessity, please utilize the letter as a cover sheet when sending the requested information to us.

This letter contains a barcode in the upper right corner to help ensure that the information you send is matched directly to the appropriate file and/or claim. Do not submit a Claim Review form in addition to the letter, as this could delay the review process. Thank you for your cooperation!

\_\_\_\_\_

#### **Medical Policy Disclosure**

New or revised medical policies, when approved, will be posted on the Blue Cross and Blue Shield of Texas (BCBSTX) provider website on the 1st or 15th day of each month. Those medical policies requiring disclosure will become effective 90 days from the posting date. Medical policies that do not require disclosure will become effective 15 days after the posting date. The specific effective date will be noted for each medical policy that is posted.

To view active and pending medical policies go to <u>bcbstx.com/provider</u> and click on the Standards & Requirements tab, then click on the <u>Medical Policies</u> offering. After reading and agreeing to the disclaimer, you will then have access to active and pending medical policies.

-----

#### **Draft Medical Policy Review**

To streamline the medical policy review process, you can view draft medical policies on the Blue Cross and Blue Shield of Texas (BCBSTX) provider website and provide your feedback online. If there are any draft medical policies to review, these documents will be made available for your review around the 1st and the 15th of each month with a review period of approximately two weeks.

<u>View draft medical policies</u>. After reading and agreeing to the disclaimer, you will then have access to view any draft medical policies, if available.

#### \_\_\_\_\_

#### **Annual Rights and Responsibilities Notification**

Thank you for choosing to be a participating practitioner with Blue Cross and Blue Shield of Texas (BCBSTX). Please review the information below for the latest information that could affect your practice.

#### Your Rights

As a participating practitioner of our network, you have the right to review information submitted to support your credentialing application and receive the status of your credentialing (or recredentialing) application, upon request.

Providers have the responsibility to work directly with the reporting entity(ies) to correct erroneous information and/or conflicting information within 30 calendar days. All corrections must be submitted in writing to our Enterprise Credentialing Department, your assigned Network Management Consultant or a Medical Director to avoid future

delays in processing your information for consideration in BCBSTX networks.

Mail:1001 E. Lookout Drive Richardson,<br/>Texas 75082Fax:972-766-2137Email:CredentialingCommittee@bcbstx.com

**Please Note:** Credentialing decisions will not be made until the applicant has responded or if the response has exceeded the 30 calendar days allocated.

Applicants who only see patients in an office setting and do not have hospital admitting privileges at a network hospital may attest to having coverage for hospital admissions by submitting a signed <u>Hospital</u> <u>Coverage letter</u>. You can find a copy of this letter by visiting the <u>Forms</u> section under <u>Education and</u> <u>Reference</u> on the <u>BCBSTX provider</u> <u>website</u>.

#### Care Management Programs: Case Management and Disease Management

BCBSTX Case Management (CM) and Disease Management (DM) staff work with enrolled members to increase their knowledge about their condition and help them better manage crisis events when they occur. CM and DM staff support the member and practitioner relationship, and aid communication between them. Members are encouraged to discuss issues and questions with their practitioner, develop a "shared decision making" partnership with their practitioner and take an active role in managing their own health.

Member compliance with physician treatment plans is monitored, including keeping appointments, compliance with medications and completing ordered tests. Program interventions are designed to coordinate with the activities of a member's treating practitioners, specifically their primary care physician and/or appropriate specialist.

As a practitioner, you may refer a member for these care management programs at any time by calling the number on the back of the member's identification (ID) card. A clinician will collaborate with you to provide our members with available resources and additional support.

#### Member Rights and Responsibilities

As a BCBSTX practitioner, it is important that you are aware of our members' Rights and Responsibilities. Our health plan members can find their Rights and Responsibilities in their benefit booklet or on our website.

Member Rights and Responsibilities include:

- A right to receive information about BCBSTX, our services, our providers and facilities, and member rights and responsibilities.
- A right to be treated with respect and recognition of the member's dignity and right to privacy.
- A right to participate with providers in making decisions about the member's health care.
- A right to have a candid discussion of appropriate or medically necessary treatment options for the member's condition, regardless of cost or benefit coverage.
- A right to voice complaints or appeals about BCBSTX or the care we provide.
- A right to make recommendations regarding our members' Rights and Responsibilities policy.
- A responsibility to provide, to the extent possible, information that BCBSTX and the provider and facility need to provide care.
- A responsibility to follow the plans and instructions for care that the member has agreed to with their provider.
- A responsibility to understand their health problems and participate in the development of mutually agreed upon treatment goals, to the degree possible.

## **Utilization Management Decisions**

BCBSTX is dedicated to serving our customers through the provision of health care coverage and related benefit services. Utilization Management (UM) determinations are made by licensed clinical personnel based on the:

- benefits policy (coverage) of a member's health plan,
- evidence-based medical policies and medical necessity criteria, and the
- medical necessity of care and service.

All UM decisions are based on appropriateness of care and service, and existence of coverage. BCBSTX prohibits decisions based on financial incentives, nor does BCBSTX specifically reward practitioners or clinicians for issuing denials of coverage. Financial incentives for UM decision makers do not encourage decisions that result in

underutilization.

The criteria used for UM determinations are available upon request. Please call the Customer Service or Health Advocate number on the back of the member's ID card.

#### **Pharmacy Benefits**

As a participating practitioner, you are given a list of drugs that are reviewed and updated throughout the year.

For certain drugs, we have quantity limits and/or may require prior authorization before we approve any benefits for the drug. Prior approval and quantity limits are in place to ensure we are following current medically appropriate drug guidelines.

For more information regarding our Pharmacy programs, visit the <u>Pharmacy Program</u> section on the <u>BCBSTX</u> <u>provider website</u>. For Federal Employee Program (FEP) members, information can be found at <u>fepblue.org/pharmacy</u>. We encourage you to check the website regularly and watch for updates in this newsletter.

You can find the following information on our website:

- Formulary lists, including restrictions and preferences
- How to use our pharmacy procedures
- An explanation of limits or quotas
- How you can provide information to support an exception request
- The process for generic drug substitutions, therapeutic interchange and step-therapy protocols

BCBSTX distributes the Roles and Responsibilities Notification to our practitioners annually to keep you informed about important topics that impact you and your practice.

#### **Update Your Information**

Do you need to update your location, phone number, email or other important details on file with BCBSTX? Use our online forms to request information changes. Are you receiving a copy of the Blue Review by email? If not, contact your local <u>BCBSTX Network Management Representative</u> to have up to 10 of your office email addresses added.

-----

Checking eligibility, benefit information and/or if a service has been preauthorized is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage applicable on the date services were rendered. If you have any questions, please call the number on the back of the member's ID card.

eviCore is a trademark of eviCore health care, LLC, formerly known as CareCore, an independent company that provides utilization review for select health care services on behalf of BCBSTX.

iExchange is a trademark of Medecision, Inc., a separate company that offers collaborative health care management solutions for payers and providers. BCBSTX makes no endorsement, representations or warranties regarding any products or services offered by third-party vendors such as Medecision. If you have any questions about the products or services offered by such vendors, you should contact the vendor(s) directly.
